

Presents

50 MOST IMPACTFUL SMARTCITIES LEADERS

(A GLOBAL LISTING)

Presented to

Dr. Keshab Panda

CEO & MD

L&T Technology Services Ltd.

Dr. Panda has over 31 years of global industry experience in research, conceptualizing, creating, operationalizing and turning around complex technology and engineering services businesses. Under Dr. Panda's leadership, L&T Technology Services' operations have grown manifold in size and scope since 2009. Dr. Panda led L&T Technology Services through a high-profile Initial Public Offering (IPO) in India and successfully listed the company on the National Stock Exchange and the Bombay Stock Exchange.

Dr. Panda has completed his B.Tech from Anna University, Chennai; ME from Indian Institute of Science, Bangalore and PhD from Indian Institute of Technology, Mumbai. He also has an Advanced Management Degree from Wharton business school.

He started his career as Research Scientist in ISRO and thereafter as Scientist for India's Light Combat Aircraft Development with DRDO. He has authored and presented many papers in International Journals & Conferences. After working in National R&D laboratories for a decade, he embarked on a career in the Engineering and IT Services Industry. He was Head of Americas for Tech Mahindra before joining L&T

Group in 2009. Under Dr. Panda's leadership L&T Technology Services has grown multifold over the last seven years to become the No 1 pure play Engineering Research & Development company in India, with global operations spanning the U.S., Europe and Asia. In his distinguished career, Dr. Panda has made significant contributions to the Engineering and IT services industry over the last decade. He has participated in many global forums as Key Note Speaker and has been invited multiple times to CNBC Power Lunch. Dr. Panda has obtained a graduate degree of technology in aeronautical engineering from Anna University, Chennai. He has obtained a post graduate degree in aerospace engineering from Indian Institute of Science, Bangalore.
